

*Good-Bye to
our old ADES
T-shirt*

& Welcome the New!

Join ADES

ADES changed its apparel! We first used the ADES vests at the recent outreach at the Happy Seniors Food and Fun Fair, organised by the Lions Club. 12 ADES volunteers were at the Kovan Hub to help create diabetes awareness and share simple tips to beat diabetes.

Join our community of practice! ADES Organised at least five educational workshops per year to provide latest update in technology and or diabetes mellitus management. As ADES member, you could volunteer with us at our community outreach events.
