

Greetings from Association of Diabetes Educators Singapore (ADES).

On behalf of ADES committee board, we would like to thank you for your support and recognition to diabetes nurse educators in your institutions.

This is an invite for an annual Certification and Re-certification of Certified Diabetes Educator (CDE) program.

Eligibility requirements:

Applicants must have an active **annual membership with ADES** and meet the following criteria.

1. Certification

- Hold a current Practicing Certificate with Singapore Nursing Board (SNB).
- Completed at least 320 hours of core curriculum on **diabetes training**. These hours can be achieved through:
 - Courses (including Specialist Diploma in Nursing - Diabetes Nurse Educator) or HMDP Overseas Diabetes Training)
 - Diabetes-related conferences, seminars, formal lectures and/or self-directed learning hours (max 15 hours/ year) on SNB CPE print-out)
 - Diabetes-related research/evidence-based projects (10 hours per project for Principal Investigator/Leader; 5 hours per project for Co-investigator/member)
 - Community work hours (max 15 hours/ year) on diabetes counseling/education with supporting documents from the organizer.
- Completed at least 1,200 hours of **diabetes-related patient education and counseling**.
- A completed log book at submission verified by the supervisor is compulsory.
- Obtain a pass in a multiple choice question (**MCQ**) examination.

2. Re-certification

- Applicants must have an active **annual membership** renewal in the last 5 years **with ADES**
- CDE certification is valid for 5 years
- Failure to recertify within year of expiry will require new application for Certification (See Eligibility requirements for Certification above) and not eligible for re-certification. e.g. Certification/ Re-certification in 2015, next re-certification is due in 2020)
- Hold a current Practicing Certificate with Singapore Nursing Board (SNB).
- Completed at least 100 hours of core curriculum **in diabetes training**. These hours can be achieved through:
 - Courses (including Specialist Diploma in Nursing (Diabetes Nurse Educator) or HMDP Overseas Diabetes Training)
 - Diabetes-related conferences, seminars, formal lectures and/or self-directed learning hours (max 15 hours/ year) on SNB CPE print-out)
 - Diabetes-related research/evidence-based projects (10 hours per project for Principal Investigator/Leader; 5 hours per project for Co-investigator/member)
 - Community work hours (max 15 hours/ year) on diabetes counseling/education with supporting documents from the organizer.
- Completed at least 500 hours of **diabetes-related patient education and counseling**.
- A completed log book at submission verified by the supervisor is compulsory.
- No MCQ examination.

Please download the necessary documents for the above requirements and application form from our website www.ad.es.org.sg

Interested applicants will need to postal mail (normal postage) the following by **05/5/17 (closing date)**:

- Application form
- Training Logbook verified by supervisor
- Copy of current SNB RN Practice License
- Copy of SNB CPE records
- Cheque payment.

Best Wishes

Lim Suan Tee (SNC / APN)

Authilakshmy Manikam (NM, CDE)

On behalf of ADES and EMSS (Endocrine Metabolic Society Singapore)
